Key Collection and Additional Instructions

Upon arrival at the house, you will receive the keys and a short description of all important information.

Kindly let us know your arrival details well in advance.

Key

The set of keys consists of 1 house key, 1 key for the sliding doors in the conservatory and a Power-Switch key to turn on the electricity in the house. The refrigerator/freezer are permanently connected to the electricity.

Code of Conduct

Our holiday home is a non-smoking house.

Pets are not permitted.

You are kindly requested to refrain from loud parties until late at night out of consideration for neighbours.

General Information

Parking

There is a parking space on the property for your car.

Cleaning and Laundry Service

Clean bed linen, as well as hand- and bathing towels are provided for each stay and a final cleaning is carried out.

If you would like a complete change of bed linen, as well as all hand and bath towels and a cleaning of the property, we can order this for an extra charge

Waste disposal

So that you and future guests can enjoy a pleasant stay in our holiday home, we ask you to dispose of the rubbish that accumulates during your stay regularly and before you leave.

Please use the rubbish bin provided for this purpose, which is located outside the property on the right.

Please note that we will have to deduct a disposal fee of € 50 from the deposit for the additional work involved if you leave excessive rubbish behind and pass this on to the cleaning staff.

Thank you for your understanding and co-operation!

Pool Service

Cleaning and maintenance of the pool are generally carried out every second day. Kindly let us know if you prefer specific times. We will try to consider these in our planning.

Garden Irrigation

Watering and garden maintenance will be carried out together with the servicing of the pool.

Outdoor BBQ

There is a built-in BBQ with BBQ utensils in the outdoor terrace/pool area.

Available Spices and Consumables

All spices are at your disposal for your free consumption.

Garden gate

We would like to ask you to make sure to keep the garden gate closed, as it sometimes happens that wild boars and dogs get onto the property.

Your safe use of our swimming pool

You are welcome in our cottage with swimming pool, which is a place for relaxation, play and fun. But it is also a place that requires your attention and caution in order to avoid risks and make your stay in the pool a pleasure for all pool users. The following information will help you to achieve this goal.

The use of the swimmers pool (Depth 1,5m) or swimmers area is only allowed for safe swimmers. Deep water is dangerous for non-swimmers. Please do not overestimate your strength and your abilities.

Jumping from the pool edge into the water is forbidden.

Children are especially endangered near the water; they have to be supervised by appropriate attendants permanently. Children are in danger of drowning even in shallow water and must be supervised permanently there too. Please note that swimming aids cannot provide perfect safety.

Floors in the pool area often are wet and slippery, so walk slowly. Running in the pool area is not allowed.

The swimming pool shall only be used in appropriate swimwear (no streetwear)

Please take a shower and clean yourself thoroughly before using the pools.

Present

As a small thank you for your stay, we would like to present you with a special guest gift. This gift will serve as a reminder of the wonderful time you have spent here. We hope that it will bring you joy and remind you of the unforgettable moments in our holiday home. You are of course welcome to take the gift home with you. We wish you a pleasant stay and relaxing days!

Information about animals on the property

We do not have any pets of our own living on our property, but cats from the neighbourhood visit regularly.

Many of our guests, especially children, are delighted to have animal visitors and enjoy stroking or feeding them. To make this easy, we have provided special feeding bowls that you are welcome to use.

However, we would like to point out that people with animal hair allergies should be careful, as the cats can also be on the terrace or in the garden.

We also ask you to keep the entrance gate to the property closed at all times. In the past, wild boars have been known to enter the garden at night and cause damage. A closed gate protects the garden and ensures a pleasant holiday experience.
